CURSO DE PROGRAMADOR DE SISTEMAS

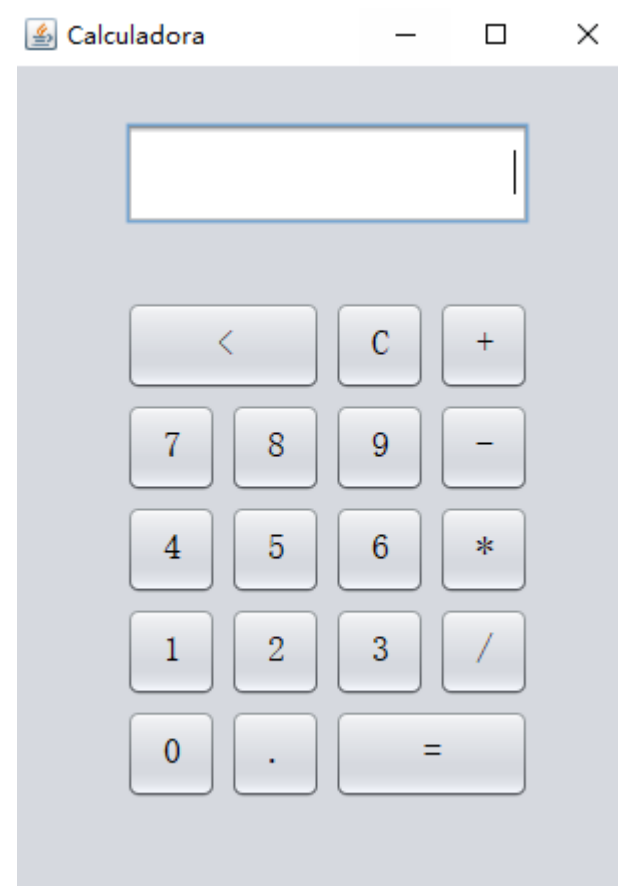

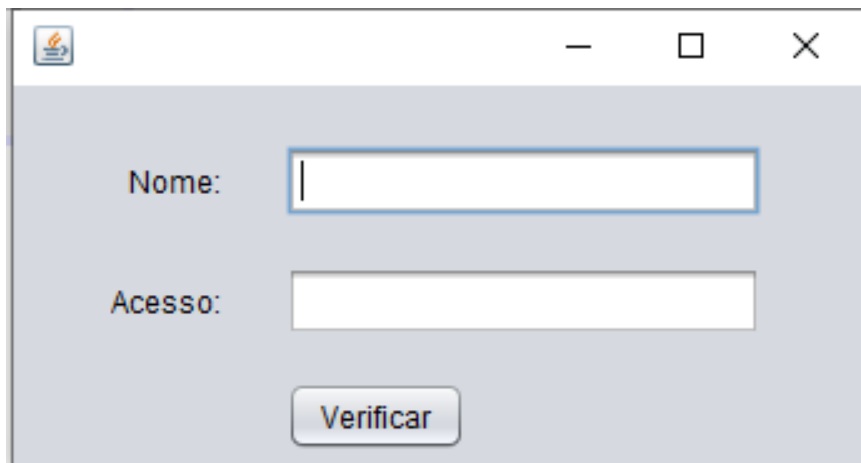

Lógica de Programação – Java – GUI (Interface gráfica do utilizador) III

Prof. MSc. Wei Lin

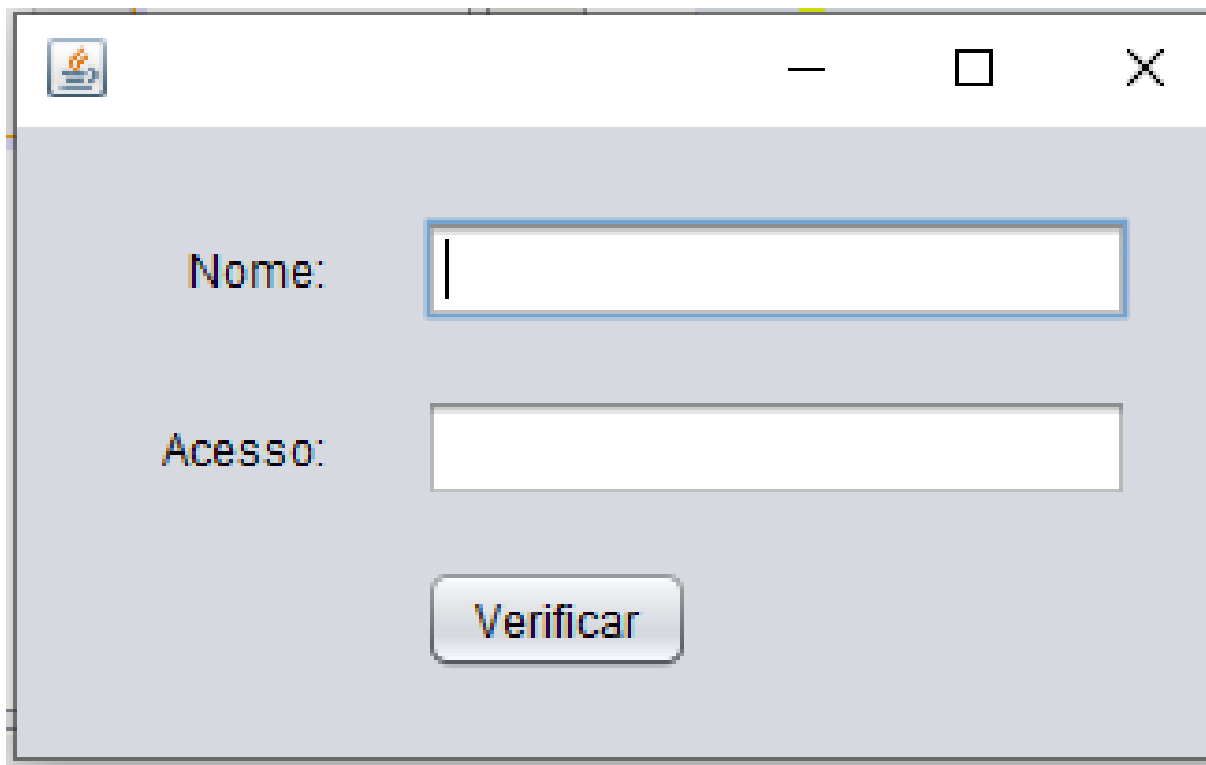

RIO DO SUL, AGOSTO/2021

GUI - Interface gráfica do utilizador

GUI - Graphical user interface

GUI - Interface gráfica do utilizador

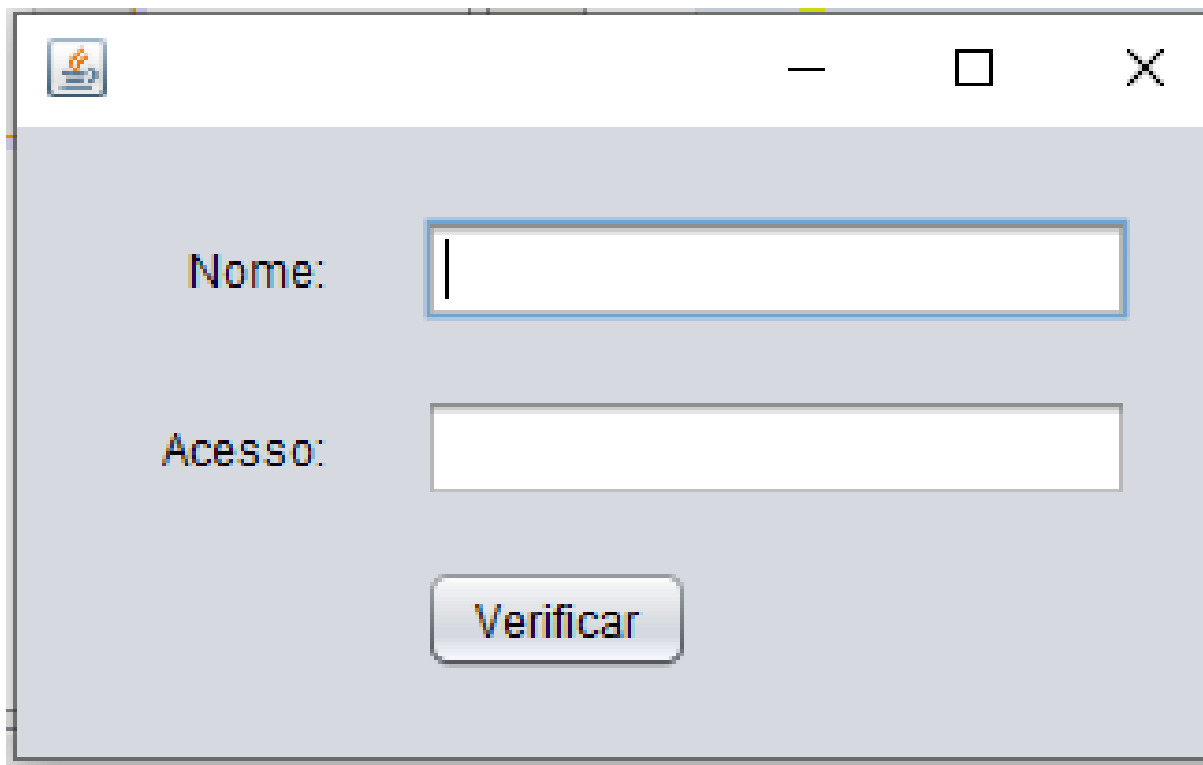

A screenshot of a simple graphical user interface (GUI) window. The window has a standard title bar with a minimize button, a maximize button, and a close button. The main area of the window is light gray and contains two input fields. The first field is labeled "Nome:" and the second is labeled "Acesso:". Below the input fields is a button labeled "Verificar".

Melhorias?

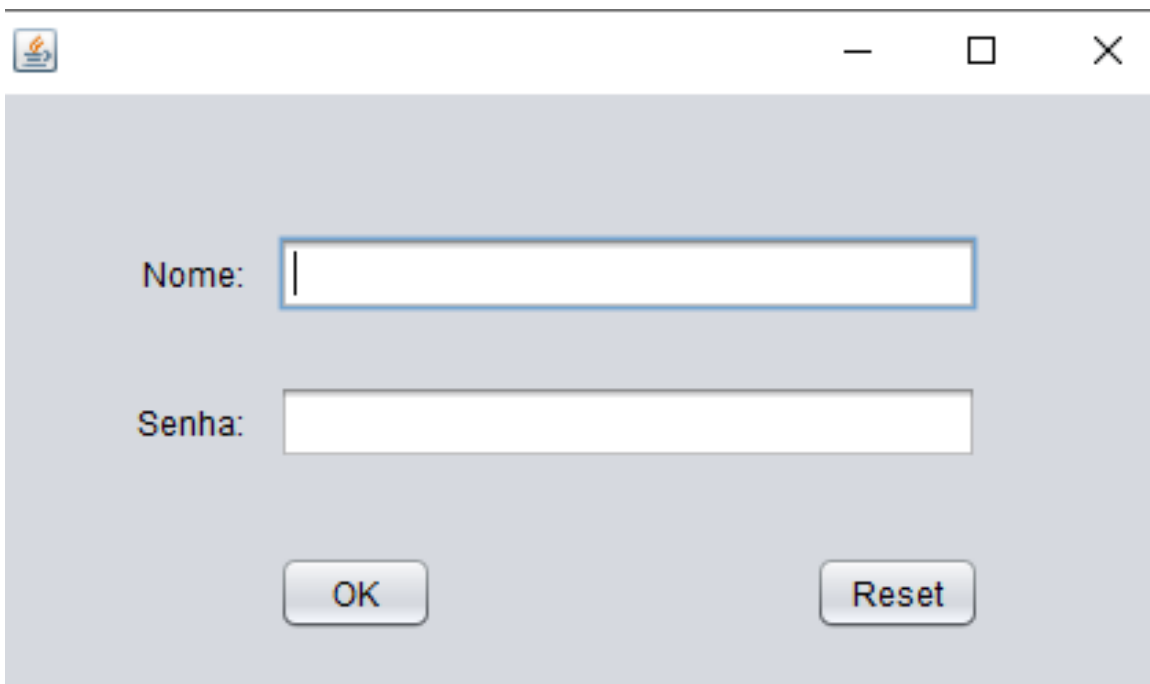

GUI - Interface gráfica do utilizador

A screenshot of a graphical user interface (GUI) window for a login system. The window has a standard title bar with a minimize button, a maximize button, and a close button. The main area of the window is light gray and contains two text input fields. The first field is labeled 'Nome:' and the second is labeled 'Acesso:'. Below the 'Acesso:' field is a button labeled 'Verificar'.

GUI - Interface gráfica do utilizador

A screenshot of a login window with a light gray background. At the top left is a small icon of a document with a flame. At the top right are standard window control buttons: a minus sign, a square, and an 'X'. The main area contains two text input fields. The first is labeled 'Nome:' and has a blue border. The second is labeled 'Senha:' and is empty. Below the fields are two buttons: 'OK' and 'Reset', both with a light blue gradient and rounded corners.
